1ST ANNUAL

CHOPPER GOLF CLASSIC

Benefiting the Danny Diaz Family

**WEDNESDAY,
JUNE 14, 2006**

IT'S HOW GOLF BECOMES A GIFT....

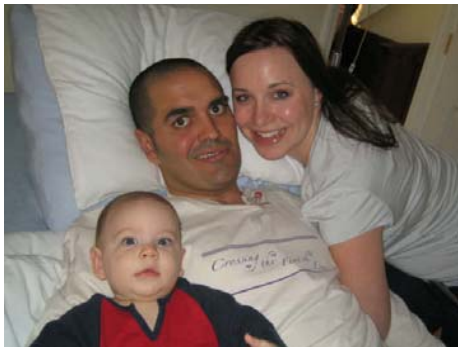

Bradshaw Farm Golf Club
Woodstock, Georgia

For everyone, there are moments that change your life; when nothing will ever be quite the same. For Allison and Danny Diaz there are many of these moments. The moment when they knew, after years of friendship, that they were meant to be together. The moment when they found out they were going to be parents. And the moment on August 16th, 2005, when a normal day turned to tragedy for this young family.

An avid rider, Danny owned and operated Southland Choppers, a motorcycle shop in Roswell, Georgia. On a routine trip to a dealership down the road, a van struck Danny on his motorcycle leaving him with broken bones, a severely injured brain and a very pregnant, worried wife.

Now, months later, Danny's progress is promising. On the long road to recovery Allison, along with the support of her own and Danny's family, celebrates each and every small advance as a giant victory. Their son, Corbin, was born in September and has given Danny, a man with an infectious smile and contagious laugh, an even bigger reason to fight for a return to the life he planned and knew.

Your participation in The Chopper Golf Classic is not only a financial blessing to the Diaz family as they deal with medical bills, therapy sessions and the needs of a dependant baby and healing father. It's also an encouragement to a young family trusting God to not only walk them through this struggle but to meet them on the other side.
